Re: Tier III Certification of Design Documents for Invitech Solutions Private Company Limited by Shares
– Invitech Solutions DC10, IT Rooms 10, 11, 12, & 13, Budapest, Hungary

Dear Mr. Gergely Katona,

Uptime Institute Professional Services is pleased to announce the Tier Certification of Design Documents for the Invitech Solutions Private Company Limited by Shares – Invitech Solutions DC10, IT Rooms 10, 11, 12, & 13 in Budapest, Hungary, as fulfilling Tier III Concurrently Maintainable criteria. This Certification is based upon the design documentation submitted between 13 March 2017 and 17 October 2017.

This Certification recognizes the Invitech Solutions Private Company Limited by Shares – Invitech Solutions DC10, IT Rooms 10, 11, 12, & 13 design, as supporting any planned work on the site infrastructure without disrupting operations, as limited by the stated IT capacity of 1,040 kilowatts (kW). This includes Phase 1 consisting of 260 kW for IT Room 10 and 260 kW for IT Room 11 located on the Ground Floor. Phase 2 includes 260 kW for IT Room 12 and 260 kW for IT Room 13, also located on the Ground Floor.

Tier III Concurrently Maintainable criteria are founded on the capability to complete planned facility maintenance or modifications on a scheduled basis; equipment failures or distribution path faults may lead to unplanned outages. Certain operator errors, such as procedural errors during reconfiguration of the redundant computer room or site infrastructure equipment, may also impact the critical load.

This Tier Certification is based on the 100% design documents as submitted for review and makes no assurances as to the constructed environment. This Tier Certification is valid until the design is modified, including any changes to the capacity components or distribution paths depicted in the design identified above and submitted for review. This Certification is subject to the limitations set forth in Schedule I, attached hereto and incorporated herein.

The Tier Certification of Design Documents award is valid until 19 October 2019, subject to the limitations and extension request process set forth in the attached Schedule I.

Congratulations on this achievement.

Sincerely,

R. Lee Kirby
President
